DR. K. K SHAH & H.K SHAH PG TRAINING CENTER, RUN BY DRASHTI NETRALAYA

About US

Welcome to the post-graduate training centre, where we take pride in offering a diverse range of PG and Post-PG courses that harness the power of cutting-edge techniques in eye care.

It combines the expertise of seasoned ophthalmologists, access to advanced technology, diverse exposure to various cases, improved surgical skills, research prospects, a comprehensive education spanning diagnostics to interventions, a strong focus on patient care, networking opportunities, professional development, and worldwide acclaim. These qualities collectively establish it as a leading destination for ophthalmology training

Why Choose us?

1. More than 350 eye surgeons are trained.
2. NABH quality training set-up.
3. Clinical and Surgical Experience.
4. Conducive learning environment.
